

In response to a prayer request asking for help in learning how to pray, here's a book that would be a great companion to our *Sailboat* book.

We will tentatively meet at **noon on Wednesdays** (unless upon discussion another day is more appropriate) in the gathering space for a **3-week study** on the book!

Eat before you come or bring your lunch and coffee/tea. A snack will be available to enjoy!

The books have been ordered and will be available soon.

Please let **Wendy** know if you are interested.
